## CONFERENCE CENTER FREQUENTLY ASKED QUESTIONS:

WHAT KIND OF AMENITIES DO YOU HAVE? We have natural hot spring pools, a spa, swimming pool, a sand volleyball court, a recreational room complete with billiards, ping pong, foosball, and air hockey, a sports field, tennis courts, and a lake to fish in.

IS THERE ADDITIONAL COST FOR THE AMENITIES? No. Parking, spa use, and all other activities are included.

**WHAT ARE THE ROOMS LIKE?** Each room is arranged in a way to make your stay as spacious and comfortable as possible. All bedding and linens (sheets, blankets, and pillows) are provided. Every room has a central heating / air conditioning and its own bathroom. Each guest is also given a bath towel, hand towel, and washcloth. We do advise, however, to bring an additional towel in case you use the hot springs, spa, or pool.

Our rooms accommodate six people per room with five beds on the ground and one up top (we have bunk beds).

**HOW IS THE FOOD QUALITY AND WHAT STYLE IS SERVED?** The food is great! Our executive chef personally creates a menu that changes seasonally. Our meals are served family style, which means that you will have waiters and waitresses serve the food directly to your table. From there, you are able to choose what you like. We offer a vegetarian option, though we unfortunately do not offer gluten-free or dairy-free options due to health and safety concerns. However, we do have a system in place to assist those who need it. Just ask your retreat leaders to contact us and we will do our best to accommodate you.

**WHERE DO I CHECK IN?** Once you arrive at our front gate, our security guards will direct you to the location where your church is registering. Our staff is knowledgeable and can help you get wherever you need to go.

**DO YOU ACCOMODATE HANDICAP NEEDS?** Certainly! During your retreat, we have support staff standing by to take you wherever you need to go on one of our golf carts. This is an exclusive service and offered only to you!

**DO YOU HAVE FREE WI-FI?** Yes! We provide each room in our lodges, as well as our meeting rooms with Wi-Fi. Just walk up to the front desk in the Main Lobby to receive the password.

**ARE THERE FISH IN YOUR LAKE? IF SO, DO YOU ALLOW FISHING?** Yes! The lake contain bass, blue gill and catfish. We do allow catch-and-release fishing only.

**CLOTHES AND SHOES.** We suggest bringing a jacket for the night, as it gets cool here. Bring flip-flops in case you use any of our amenities.

**TOILETRIES.** We provide only hand soap for bathrooms. We do NOT provide shampoo, conditioner, body wash, face soap, etc. We suggest bringing an extra towel(s) for amenities such as hot springs, pool, and Roman spa.

**MEDICATION.** We suggest bringing any necessary medication.

**PERSONAL BELONGINGS.** Cell Phone, computer, tablet, and device chargers. Bible, pen, and notebook/journal.

**EXTRA BLANKET AND PILLOW.** We provide all bedding and pillows, but some prefer to have their own blanket and pillow (as needed)
