

Why do we have the Bible?

God gave us the bible because he wanted to talk to us in way that we would understand. Because God gave us his Word in a book, we can read it over and over. We can share it with a friend. The Bible is like a map-it shows us the direction to go in life. The Bible is like a love letter-it tells us about God's love for us. The Bible is like food-it gives us strength to live. To find out what God is like and how he wants us to live, read the Bible.

Your word is a lamp for my feet and a light for my path. The word of God is full of living power. It is sharper than the sharpest knife, cutting deep into our innermost thoughts and desires. It exposes us for what we really are.

(Hebrews 4:12)
