

# His Kids Family Devotional

Hide and Seek Words. As you read your Bible try to find these words:

"...making melody in your heart"

Scripture: Read Ephesians 5:19,20

Devotional: A Singing Heart

Making melody in your heart seems like a strange thing to say, perhaps you think the words should be "making melody with your voice." But the best song of all is the song in our hearts.

In a town across the sea there was an old church that had a great organ. The caretaker was warned never to let anyone play it. One day a stranger came into the church and asked if he could play the organ. "Oh no!" said the caretaker. But the visitor begged and finally the caretaker said he could play. Never had the organ sounded so beautiful! The caretaker asked the man his name. "I am Mendelssohn," said the stranger. Mendelssohn was one of the greatest musicians!

Your heart is like that organ. When God lives in you, you have a singing heart. God gives joy to His children.
