

# His Kids Family Devotional

Hide and Seek Words. As you read your Bible try to find these words:

"...guide me"

Scripture: Read Psalm 73:24

Devotional: Do you know the way?

John's father was working in another part of town. One day he asked John to bring him his lunch. He left a note telling him exactly how to get there. When noon came John picked up the lunch his mother had fixed but left the note on the kitchen table.

"I know the way myself," he said. He started out, but took a wrong turn, then another and soon he was hopelessly lost. How he wished he had that note with the directions!

How silly of him, but you may be as foolish as John! God has given you a guide to keep you on the right way. It is the Bible. Do you read it every day? Do you do what it says? God has promised He will guide you through His Word until you get to Heaven. Do not neglect to read your directions!
